President's Message:

Hello again friends,

As the leaves turn and the air gets crisp, I can't wait to enjoy some cozy quilting and stitching this fall season!

This October we have so many workshops, cottage groups and lots of fun meetings to get together and enjoy each other's company. Take a look through the newsletter so you know what to look forward to this month and mark down those days you don't want to miss!

I hope everyone has a relaxing Thanksgiving weekend, and you get to enjoy time with the people and pets you are thankful for.

Kelsey Gunn

50th ANNIVERSARY CHALLENGE

We are so excited to see what everyone will make for this challenge. Please remember that this is to be fun and not stressful.

I still have 5 items left in the box if you are interested in the challenge.

CHALLENGE:

With the item you have, make something / anything. Use part or the entire item. Add something you have from your stash. In January, you will be given another little something from another box that you will need to use in part or whole with your creation.

The item is due April 7, 2026. Show & Tell.

You may keep your creation, gift your creation or donate your creation.

Thank you for participating.

Helene, Kelsey, Shanley, Janet, Carol and Dianne

I REMEMBER WHEN..... Part III of III.

OUR FIRST YEAR 1975-1976

By **March 3rd**, panic had set in with regard to the completion of the Madame's Maple Leaf quilt, as the Museum has requested its completion for the Museum's Annual Antique Sale which will be held on April 15th. The quilting was less than half completed. Members are now being asked to design original pictorial or symbolic blocks representing the history of Sudbury for the Historical Presentation Quilt. Numerous activities were planned including: an invitation to Mrs Valerie Jervais-Reid, a professional embroideress from England to conduct a 3 day workshop; a bus trip to the New Hamburg Mennonite Relief Sale and to attend the Canadian Quilters workshop; and an invitation to Mr. Aurele Labrosse, owner of The Needle Shop on Elgin Street, to give a series of workshops in canvas work to the Guild.

On **March 11th**, Nyla Gorham, Art Consultant for the Ministry of Education presented a "very worthwhile" workshop in the Guild meeting room on Creativity in Needlework. Members were asked to bring a list of items along with their Imaginations, enthusiasm and an open mind. Marg Conibear and Shouette Haywood managed to complete their projects that night.

By **April 8th**, it was reported that the Madame's Maple Leaf Quilt "is almost ready to be taken out of the frame. Mary Conroy will check it over, trim and pin the binding to it, Karen Annis and Helen Ayers made the picot edging and someone as yet unknown will actually sew the binding in place." Mary Conroy thanked the more than 100 members who worked more than 2000 hours on the quilt and stated "surprisingly, it looks just fine." The stitchery group appears to be quite active having completed 3 samplers, while the quilting group now has Hick's Flower Basket quilt on the frame.

The final Annual Meeting, on **May 18th**, was held as a potluck at Mary Conroy's home. Reports for the year mentioned that

- The Guild had 66 members for the first year
- Guild members learned a great deal with the making of Madame's Maple Leaf Quilt – "especially the difficulties in putting it together"
- 9 stitchery workshops were held with approximately 20 attendees

The slate of officers for the year 1976-1977 were

- | | |
|-------------------|----------------|
| • President | Marion Vahiaho |
| • Sec/Treasurer | Cookie Smith |
| • Membership | Joyce Brooks |
| • Interest Groups | Pat Moro |
| • Prog/Newsletter | Mary Conroy |
| • Nominations | Jean Cooke |

On **May 28-29th**, a full bus of Guild members, spouses and friends travelled to the Mennonite Quilt Auction and the Canada Quilts session in New Hamburg. Bus cost \$15.95.

Obviously, there was much interest in the Guild, both quilting and stitchery, and many activities to keep the interest alive.

IN CLUB QUILT 2025-2026

The in-club quilt was set up at our October Community Quilt Saturday, and 2 members participated in hand quilting. Thank you very much to you both.

As mentioned before, the in-club quilt will be set up on the three Tuesdays of October and November, also at the next community quilt November 1st at the Parkside.

Come show a member how to hand quilt and /or participate in finishing this beautiful quilt. As you know, every 15 minutes of hand quilting goes on a ballot towards winning this beautiful finished quilt.

Bring your favorite thimble, your reader's glasses, and come join me at the quilting bee circle!

Happy hand quilting!

Block of the Month

Thank you everyone who participated in the September Block of the Month. When Dorothy asked me if I would consider planning this year's blocks, I was not sure. My first inclination was to say, "No" and I believe that is what my response was. After a moment of contemplation and looking at this sweet lady, I changed my mind. Who could possibly say no to her?

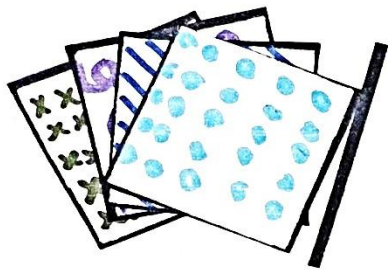

Thank goodness I am surrounded by an amazing group of women who provide support in whatever I do and encourage me to embrace everything this guild has to offer.

I am still in awe of the generous/amazing members that made 48 blocks that Judy Peloso won. CONGRATULATIONS JUDY. Dorothy has offered to turn the fabulous additional blocks into a Community Quilt or "2". I am still smiling over her Show and Tell Quilts.

As I write this article, my friend Chantal let me know she just completed the Block of the Month for October. She said, "it was Easy". Now, do you think this is a challenge to make future blocks more challenging?

Please enjoy the October Block of the Month. I am providing the black 1" strips so they match the dye lot. Let me know if you need them.

OCTOBER BLOCK OF THE MONTH

Due: November 4, 2025

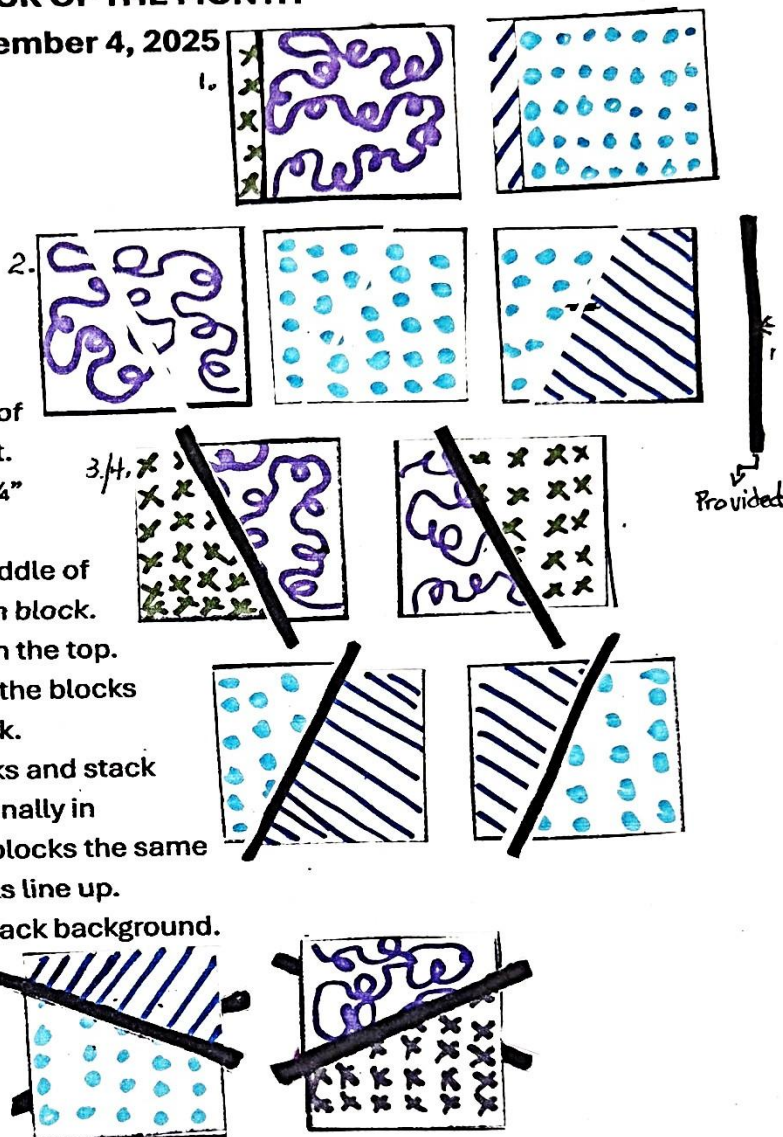

MATERIALS:

4 – 10" square (4 different batik fabrics)

8 – 1" x 15 1/2" (black background provided)

INSTRUCTIONS:

1. Stack the blocks 2 by 2 with right sides up.
2. Make a diagonal cut through your 1st stack of 10" blocks. You choose the angle of the cut. Do the same to the second stack. Mark a 1/4" in the middle of the blocks along the cut diagonal and place another mark in the middle of 1" black strip along the sides. Used to align block.
3. Switch 1 block from the bottom with 1 from the top.
4. Using the marks to align the pieces, stitch the blocks together. Press the seam towards the batik.
5. Choose 2 different blocks from the 4 blocks and stack 2 blocks right side up. Cut the block diagonally in whatever angle you wish again. Mark the blocks the same way you did the first time so that the blocks line up. Stitch them together. Press towards the black background. Do your remaining 2 blocks.

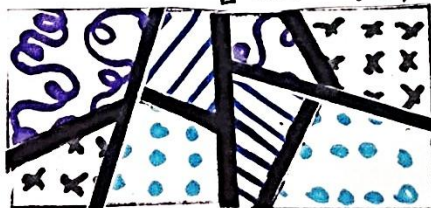

End Result:

You should have 4 blocks with 4 different batik fabrics in each block. You can snip the black 1" strips so they are not hanging over the block. **DO NOT SQUARE THESE BLOCKS** (the person who wins these blocks will square them).

2 of your blocks will go to the Block Lottery.

2 of your blocks will go towards making a Community Quilt. Who would like to put it together?
Who would like to quilt it?

What do you prefer?*

Community Quilts

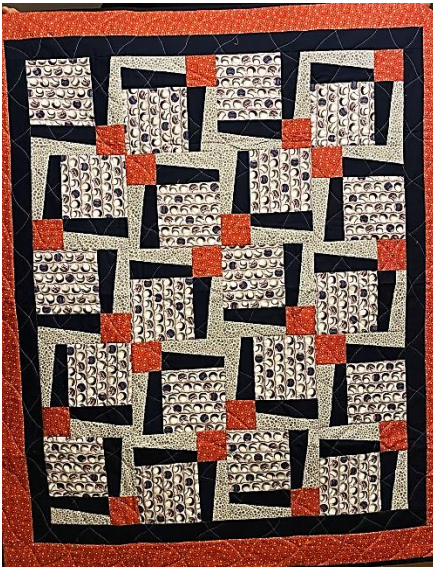

To all fellow quilters:

We had our first Community Quilt day on October 4th, of this new season 25/26. It was a small group but productive and lively as usual. The group was led by Dorothy McPhail and Dot Manchuck. The pattern is called "Rail fence with Pinwheels". Very easy to put together and looks beautiful. Hope to see some on the line soon.

In November, we have two Community Quilt days, November 1st and the 22nd. November 1st is led by Gisele McVittie and Chantal Fleury. We'll have a pattern available at a later date. The 22nd will be a free sewing day. Bring your own project to work on, or come and sew kits together. Just come. We always have a lot fun.

MACRAME SNOWFLAKE ORNAMENT

Tuesday, November 18, 2025

Macramé is an old textile craft that uses simple knotting techniques. It is also an easy craft to pick up. There are 5 basic knots. It is the combinations of these basic knots that can create elaborate & ornamental knotting forms, and this makes the macramé appear more intricate & lacier.

The macramé snowflake pattern is very simple, and the snowflake is easy to make. The snowflakes (shown below) require only 3 basic knots. If you can tie a knot, you can macramé.

Yarn/cording, a central plastic ring & a macramé board will be provided to make one macramé snowflake. Please join me in creating a simple, yet quick snowflake ornament.
