Christmas Party
Year End Banquet

President's Message:

Happy November friends!

As we turn toward the holiday season, let's keep our spirits bright!

This time of the year is always busy with preparation and shopping for the upcoming Christmas season. I like to remind myself to slow down and enjoy a nice cup of tea and relax every so often to give myself a break from all the hustle and bustle.

I hope you all have a chance to do the same, and get some nice fall quilting and stitching projects out of hiding too.

Remember to check the website for our next Community quilt day, and some exciting upcoming programs to take part in.

And don't forget to bring your change for the 50th anniversary raffles, they'll be drawn on the third Tuesday of this month! (November 18)

I hope you all get to enjoy the next few weeks of fall weather before the snow really flies!

Kelsey Gunn

Community Quilts

November is already here. We had our first Community Quilt day of the month on November 1st. The day was led by Gisele McVittie and Chantal Fleury. We had a very good turnout. Thanks to all the ladies who showed up. It was a lot of fun.

Thank you Gisele and Chantal.

Our next Community Quilt day is on November 22. You can work on any project you want or help sew together all those orphan blocks we received 2 weeks ago. All quilts sewed together will go to Community Quilts. It should be interesting to see what we can create.

Diane Gaudette
Community Quilt coordinator

Community Quilt Block

Block of the month

Thank you to everyone who has participated in the Block of the Month. Congratulations to Claudia Gobeil who won a lovely stack of blocks for a future project. Dot Manchuk has very generously offered to put the Mosaic blocks together for a Community Quilt. Sandra Castonguay has also generously offered to quilt the Mosaic Quilt. It truly does take a village to make a quilt at times. Thank you too all the members who took the time to make all these blocks.

The November Block of the Month will have you making 4 flying geese at a time and doing some snow balling. Lol. Just in time for you know what!

Please have fun with The Ohio Star Block.

IN CLUB QUILT 2025-2026

Hello fellow members,

We have 2/3 of the hand quilting done on the in-club quilt! Come join me in finishing this beautiful quilt that members quilted for 52 hours and counting... Only 15 minutes to qualify for a ballot! And stay as long as you like. No need to have any experience as we can teach you how.

The in-club quilt will be set up during the two meetings on Tuesdays and on our Community Quilt Saturdays.

Bring your favorite thimble, your reader's glasses, and come join me at the quilting bee circle!

Happy hand quilting!

Let's continue to inspire each other!

I have wanted to share my love for scrappy and some of the free content I see on YouTube for a while. This one is a disappearing 16 patch. Use 5 inch square stash, or as I might try cutting a layer cake for control scrappy.

Open Wednesday 1-3 or by chance or appointment

A diet is the penalty we pay for exceeding the feed limit; A warning with the holidays coming up.

As I write this newsletter it is very sunny out but the forecast for tomorrow is snow. It's that time of year. If you're looking for a gift for a stitcher, come and check us out. We have many different patterns, kits, threads and fibers.

We have quilts for sale, from baby size to queen size. Many lap size to cuddle with on a cold winter night.

The main difficulty with a liar is the necessity to have a good memory.

We have some pieced tops that you can have finished or do it yourself. We also have quilt kits to get or give. Too many committees waste hours and save minutes.

We have a few Christmas decorations.

My great grandsons love their soft cloth books. We have some panels and a few finished books for sale. People wouldn't worry about what people think of them if they knew how seldom they do. I also have mini aprons for the junior cook or gardener to help out Mom.

Most of us get experience when we are looking for something else.

Found a box of fat quarters that somehow got missed when we went to Quilts on the Rocks. The design is fluid fabric so we are putting them on special 10 for \$25. Nice gift for a friend.

We do have some wide backings and a lot of plaid fabric; some really nice lace and different trims.

I try to stay open Wednesday from 10-3; Subject to Doctors appointments.

Check to be sure; other times by chance or appointment - 705-929-3940.

Wishing everyone a Merry Christmas and a Happy New Year

Pat

MACRAME SNOWFLAKE ORNAMENT

Tuesday, November 18, 2025

Macramé is an old textile craft that uses simple knotting techniques. It is also an easy craft to pick up. There are 5 basic knots. It is the combinations of these basic knots that can create elaborate & ornamental knotting forms, and this makes the macramé appear more intricate & lacier.

The macramé snowflake pattern is very simple, and the snowflake is easy to make. The snowflakes (shown below) require only 3 basic knots. If you can tie a knot, you can macramé.

Yarn/cording, a central plastic ring & a macramé board will be provided to make one macramé snowflake. Please join me in creating a simple, yet quick snowflake ornament.
